

A floor plan diagram showing two adjacent rooms. The room on the left is labeled "Bedroom2" and the room on the right is labeled "Restro". Both rooms have a quarter-circle cutout in their shared wall. The cutout in the bedroom is at the bottom right corner, and the cutout in the restroom is at the top left corner. The walls are represented by thick black lines, and the cutouts are indicated by thin black lines.

# Living Room

A floor plan diagram showing a Living Room and a Kitchen. The Living Room is the larger area at the top, and the Kitchen is a rectangular area below it. A thick black line separates the two rooms. The Kitchen has a thick black border on its left, bottom, and right sides, with a thin black line on its top side. The Living Room has a thick black border on its left and bottom sides, with a thin black line on its top side. The text 'Living Room' is in the top left, and 'Kitchen' is in the center of the kitchen area.

## Kitchen
